1x Radiator Guard (RAD0177BK)
4 x Cable/Zip Tie
2x 100mm Lengths of self-adhesive Foam

PICTURE 1

PICTURE 2

PICTURE 3

PICTURE 4

- To fit the radiator guard to the bike cut the foam strip provided into 10mm wide pieces and stick them to the back of the radiator guard frame, so that they sit between the radiator guard and the radiator.
- Remove the fairings from both side of the bike.
- Undo and remove the original plastic radiator surround panel.
- Offer the radiator guard into position and using the cable ties supplied secure the guard as shown in pictures 1, 2, 3 and 4.
- Refit and secure the original radiator surround

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.

Montageanleitung für den RAD0177BK/TI Kühlerschutz
MV AGUSTA F4 '13-

Dieser Kit beinhaltet:
1x Kühlerschutz (RAD0177BK)
4 x Kabelbinder
2x 100mm selbstklebende Schaumstoffstreifen

ABBILDUNG 1

ABBILDUNG 2

ABBILDUNG 3

ABBILDUNG 4

- Um den Kühlerschutz am Motorrad zu montieren, schneiden Sie zuerst die mitgelieferten Schaumstoff-Streifen in 10 mm breiten Streifen und kleben Sie diese auf der Rückseite des Kühlerschutzrahmens, so dass sie zwischen dem Kühlerschutz und dem Kühler angebracht sind
- Lösen und entfernen Sie die Originalplastikverkleidung um den Kühler.
- Halten Sie den Kühlerschutz in Position und befestigen Sie ihn mit den mitgelieferten Kabelbindern (siehe Abbildungen 1, 2, 3 und 4).
- Die Originalplastikverkleidung um den Kühler nun montieren und befestigen.
