

**FITTING INSTRUCTIONS FOR TG0007 MOULDED TOE-GUARD  
SUZUKI GSX-R600 2011**

Please note that the way the kit is packed does not necessarily represent the way of mounting to the bike

Please note that in cases where kits are packed with rubber washers holding the components onto the bolt – *the rubber washers should be thrown away!*

**Please read all instructions before commencing fitting**

- Using one of the button head bolts with a washer fit the tee-nut to the toe guard as shown above (do not tighten).
- Locate the toe guard on the underside of the swing-arm, on the chain side of the bike, in front of the rear sprocket so the tee-nut goes into the slot in the swing-arm.
- Lightly tighten bolt to hold the toe guard in position and mark position of front slot of the toe guard.
- Remove the toe guard and drill a 5mm hole in swing-arm in position marked (ensuring the drilled hole is not too close to any of the other slots in swing-arm), and then tap it with an M6x1 tap.
- Fit the toe guard using the tee-nut.
- Fit the other bolt and washer into hole just drilled and tapped then tighten both of the bolts.

**DUE TO THE RISK OF CROSS THREADING OF BOLTS ETC; WE ALWAYS RECOMMEND THAT OUR PRODUCTS  
BE FITTED BY ONE OF OUR OFFICIAL DEALERS OR A QUALIFIED MECHANIC.**

## Instructions de montage

TG0007

Protège chaîne

SUZUKI GSX-R600 2011

La façon dont le kit est emballé ne représente pas nécessairement la façon de le monter sur la moto.

Notez que dans les cas où les kits sont emballés avec des rondelles en caoutchouc, composantes du boulon - *les rondelles en caoutchouc doivent être jetées !*

Lire la notice avant de procéder au montage

- A l'aide d'un des boulons à tête, avec une rondelle, installer l'écrou à la protection comme ci dessus (ne pas serrer).
- Placer la protection sur le coté inférieur du bras oscillant, sur le coté chaîne de la moto, en avant, en face de la couronne arrière de sorte que l'écrou entre dans la fente dans le bras oscillant.
- Lightly tighten bolt to hold the toe guard in position and mark position of front slot of the toe guard.
- Serrez légèrement le boulon pour tenir la protection en position et marquer la position de la fente avant de la protection.
- Enlever la protection et percer un trou de 5mm dans le bras oscillant dans la position marquée (s'assurer que le trou percé n'est pas trop proche de l'un des autres emplacements dans le bras oscillant) puis tapoter dessus avec taraud M6x1.
- Installer la protection à l'aide de l'écrou.

- Insérer l'autre boulon et la rondelle dans le trou tout juste percé et tapoter.
- Ensuite, serrer les 2 boulons.

**COMPTE TENU DES RISQUES LIES AU FILETAGE DES BOULONS, ECT, NOUS RECOMMANDONS VIVEMENT QUE L'INSTALLATION DE NOS PRODUITS SOIT EFFECTUEE PAR UN DE NOS DISTRIBUTEURS OU PAR UN MECANICIEN QUALIFIE.**

#### **CONSUMER NOTICE**

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

#### **R&G RACING RETURNS POLICY (NON-FAULTY GOODS)**

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in resellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.
