ITEM 4	M6 WASHER OD=12mm	1
ITEM 5	M6 FLAT CAP	1

EXPLODED ASSEMBLY VIEW

FITTING INSTRUCTIONS

- To fit the R&G Brake Lever Guard, you will need to remove the original bar-end using the specific tools to your bike. Place the smaller M6 washer (**Item 4**) over the M6 cap-head bolt (**Item 3**), then slide through the brake lever guard (**Item 1**) so the washer sits against the flat surface within the mounting bore.
- Place the larger washer (**Item 2**) over the exposed end of the bolt.
- Locate the lever guard assembly into the threaded handlebar end and position so when the motorcycle is at full lock in both directions it does not contact any other part of the motorcycle.
- Using a 5mm Allen tool, fully tighten the bolt and check operation.
- Finally, push the flat cap (**Item 5**) into the head of the cap-head bolt to give a clean look.

IMPORTANT - WHEN FITTING THIS PRODUCT, IT IS YOUR RESPONSIBILITY TO ENSURE THAT THE PRODUCT IN NO WAY IMPEDES THE OPERATION OF THE MOTORCYCLE AND IS CHECKED REGULARLY FOR TIGHTNESS AND CORRECT OPERATION.

FAILURE TO CHECK THE ABOVE COULD RESULT IN SERIOUS INJURY OR DAMAGE.

ISSUE 1 – 12/01/2026 (MH)

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RACING RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorised (if not pre-authorised the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G Racing. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.
