FITTING INSTRUCTIONS

- To fit R&G radiator guard to the bike, insert the 4x rubber grommets into the radiator guard in the holes circled in yellow in **Assembly Diagram** if they do not come already installed.
- Remove the two bolts that secure the OEM radiator in place, as shown in pictures 1 & 2.
- Offer the R&G Radiator Guard into place on the bike and re-use the two OEM bolts and tighten to secure in place.
- Ensure everything is correctly re-fitted and the radiator guard is securely mounted before riding.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.

R&G RETURNS POLICY (NON-FAULTY GOODS)

Returns must be pre-authorized (if not pre-authorized the return will be rejected). Goods may only be returned direct to us if they were purchased direct from us (customer must prove if necessary). Otherwise to be returned to original vendor. Goods must be in re-sellable condition, in the opinion of R&G. All returns are subject to a 25% restocking and handling fee (25% of the gross value exc. P&P – at the prevailing price at time of purchase). The customer must pay any and all carriage charges. No returns of discontinued products, unless within 14 days of purchase. This policy does not affect your statutory rights and does not refer to faulty goods.

NOTICE DE MONTAGE

- Pour installer la protection radiateur R&G sur la moto, insérez les 4 œillets en caoutchouc dans la protection radiateur dans les trous entourés en jaune dans le schéma d'assemblage s'ils ne sont pas déjà installés.
- Retirez les deux boulons qui maintiennent le radiateur d'origine en place, comme indiqué sur les photos 1 et 2.
- Présentez le protège-radiateur R&G en place sur la moto et réutilisez les deux boulons d'origine et serrez pour le fixer en place.
- Assurez-vous que tout soit correctement remonté et que la protection radiateur soit solidement fixée avant de rouler.

MONTAGEANLEITUNG

- Um den R&G Kühlerschutz am Motorrad zu montieren, setzen Sie die 4 x Gummistopfen in die Öffnungen am Kühlerschutz ein, die mit gelben Kreisen markiert sind (wie in der **Zeichnung Montage** abgebildet), falls diese nicht vorinstalliert sind.
- Entfernen Sie die zwei Schrauben, die den Originalkühler in Position befestigen wie in den Abbildungen 1 & 2 abgebildet.
- Den R&G Kühlerschutz in Position bringen und die zwei Originalschrauben benutzen, um ihn in Position zu sichern.
- Überprüfen Sie, dass alles ordnungsgemäß montiert und der Kühlerschutz sicher befestigt ist, bevor Sie mit dem Motorrad fahren.
